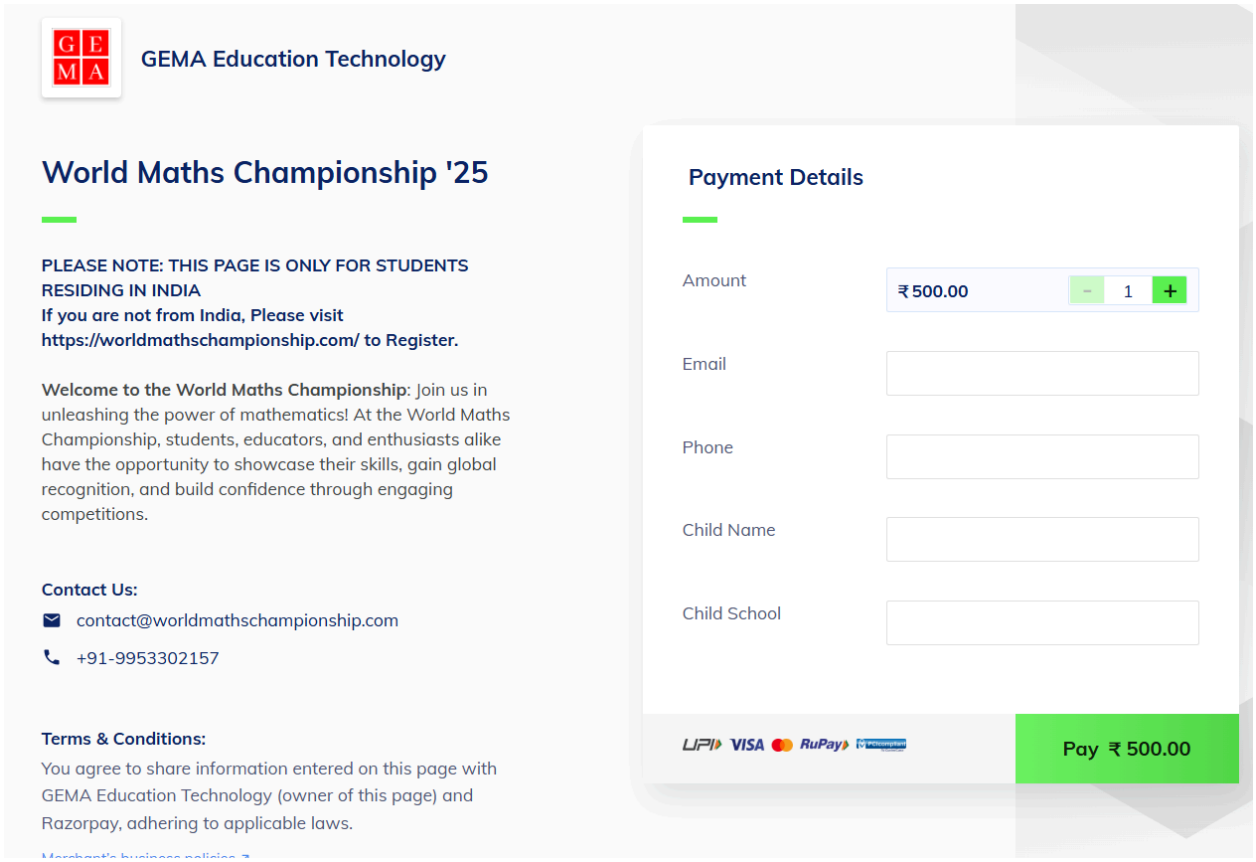
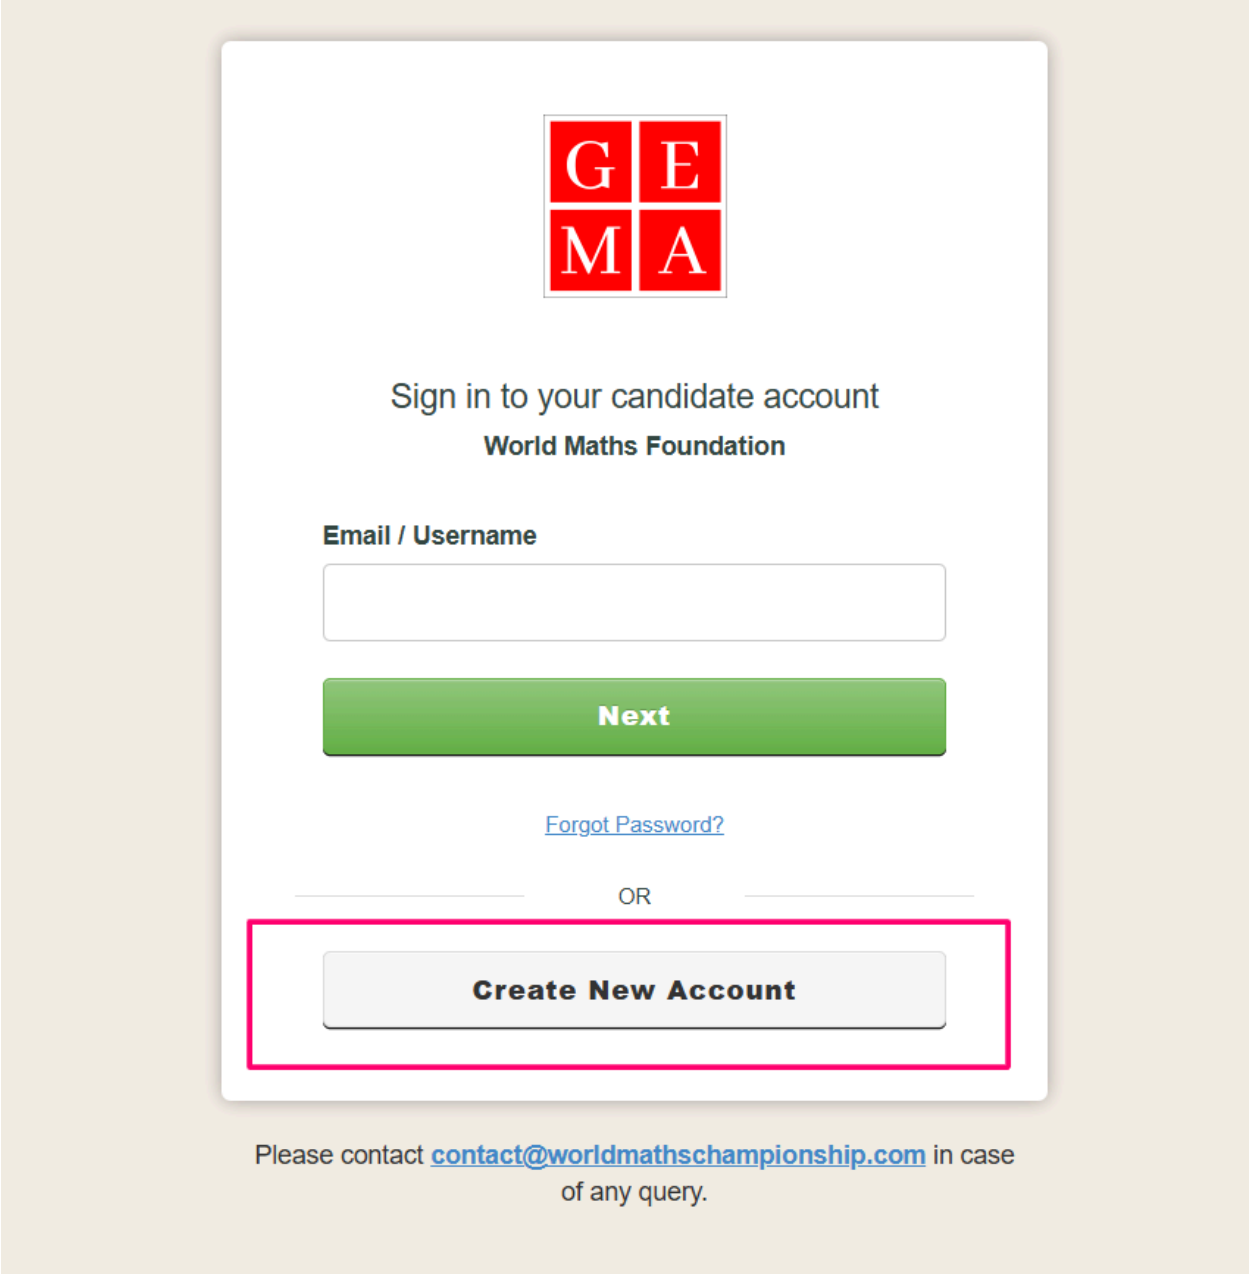
Pay Registration Fee Here
Pay INR500
Upload Your Payment Receipt *
Choose File
No file chosen
Next



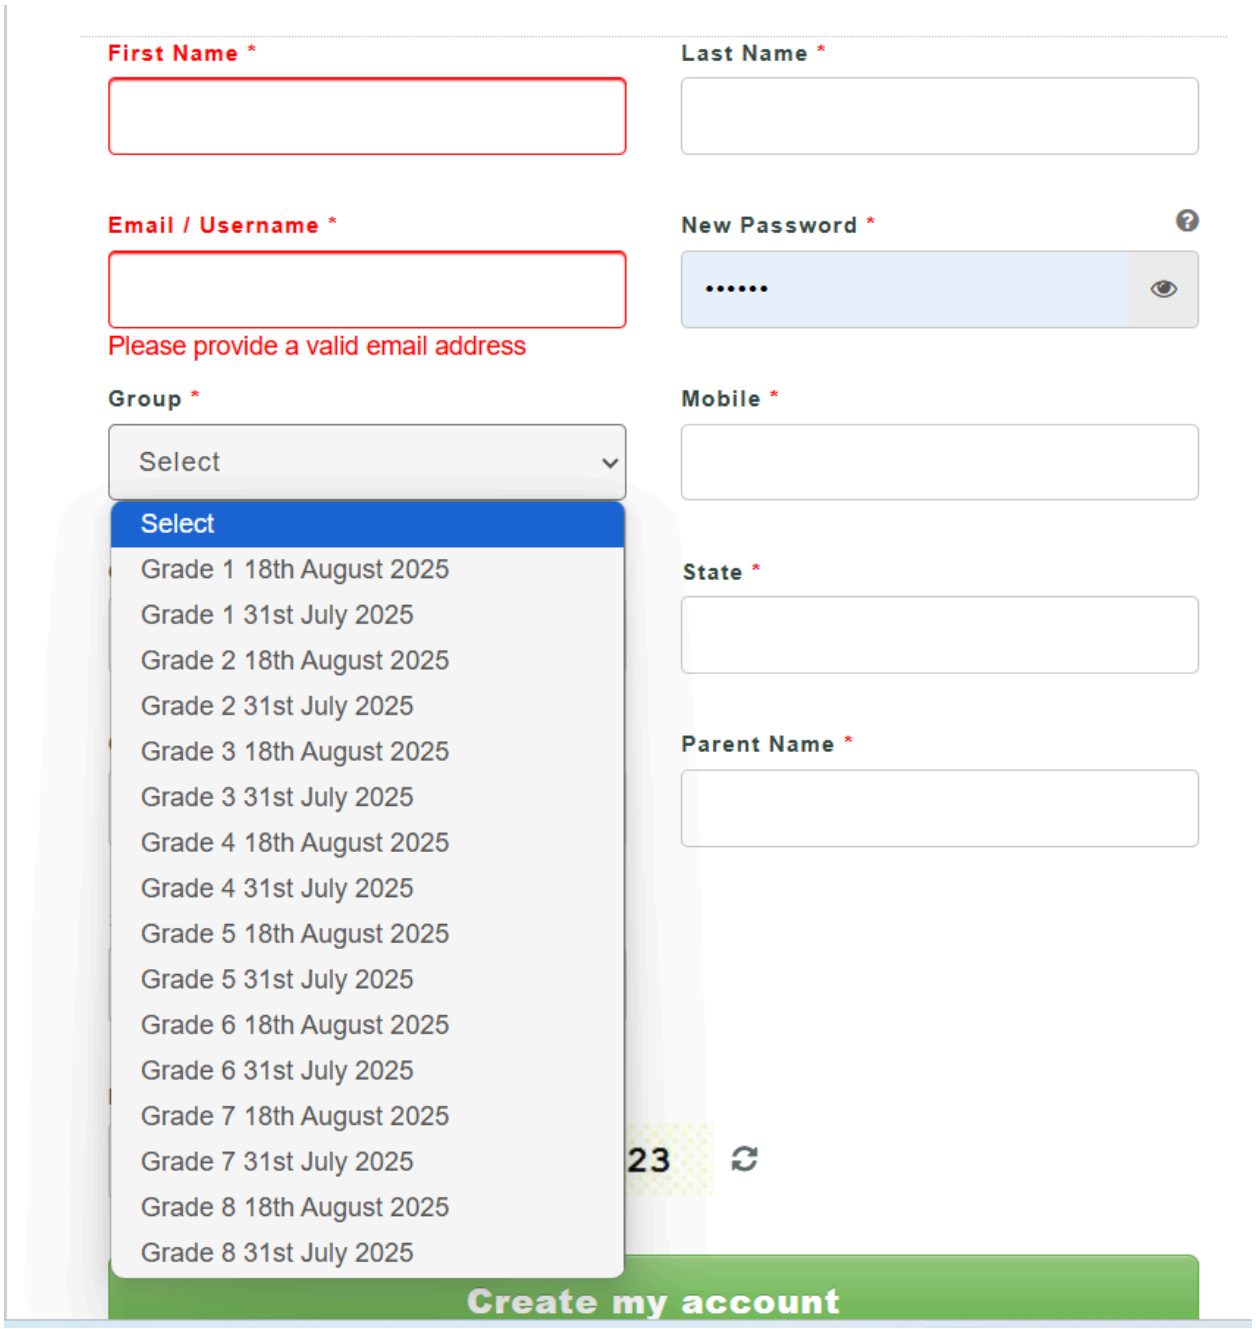
Once Paid you will automatically get a receipt over your email that you need to upload in this form and click on Next.

Step 2: Start Creating your Candidate Exam Account by clicking on 'Create New Account'



Fill the form very carefully especially when choosing the 'Group' so not only you choose the correct grade but also the correct date.
While putting in email id, please ensure you use a generic gmail or yahoo account and not school email id as many times their server blocks external emails. If the email id you have put is fine then you will get a 'Username Available' message below it and you can then proceed to create a password.
While creating password please ensure you don't use your name or child name and it must be between 8-20 characters, there should be one uppercase, one lowercase, one number and 1 special character in your password, a sample can be 'H@1ey123'

Also please ensure you put the correct and full name of your school alongwith School Branch(if any)



First Name *

Danielle

At least one lowercase alphabet [a-z]
At least one uppercase alphabet [A-Z]
At least one numeric digit [0-9]
At least one special character ['@', '$', '#', '!', '&', '^']
Total length must be 8 to 20 characters

Email / Username *

New Password *

Minimum 8 characters

First Name *

Danielle

Last Name *

Campbell

Email / Username *

Step 3: Once you will submit the form, you will get a verification code over your email, put that code, verify and finish.
Once done, you will be automatically redirected to your exam dashboard.
Click on 'Upcoming Exam' in your Exam Dashboard to appear for your mock test or main exam.
You can check the results under the 'Exam History' Tab. Mock Test result is available immediately however the main exam result will be available later on once all round of exams are over.
You will also get a registration confirmation mail over your email carrying the link to dashboard and your username/email id. To login to your exam account in future, simply click on 'url' given in this email and put your username and password you have created.

Dear Student,
Welcome to World Maths Championship. This email confirms that your candidate account is created successfully.
We hope this email finds you well. We are thrilled to extend our heartfelt gratitude to you for registering for the World Maths Championship. Your enthusiasm and commitment to participating in this prestigious event are truly commendable.
As you know, the competition dates are fast approaching, and we want to ensure you are well-prepared. Here are some important details:
Exam Dates:
31st July 2025
18th August 2025
Time:
The examination will be available for 24hours , you can attempt it anytime of the day, but remember regardless of whenever you start it, it will last for only 1 hour.
Date of Mock Test:
To help you prepare effectively, we have scheduled a mock test which is available for you to attempt once, anytime between 20th July 2025 00:01AM to 17th August 2025 11:00PM.
Duration:
The competition will last for 60 minutes
